

## **Appendix A: Self-reporting process**

## What to do if an employee discloses that they either have symptoms, tested positive for COVID-19, and/or need to self-isolate:

- Advise employee to inform their Workplace Leader (WPL) directly.
- Employee must be symptom FREE and complete self isolation prior to returning to any college related activities and/or duties.
- Ensure employee is aware of the BC CDC self-reporting process (linked below)
- Encourage employee to reference the Employee FAQ's
