## Congratulations on your engagement!

Located in beautiful Victoria, BC, Camosun College offers a combination of unique and memorable indoor and outdoor spaces for wedding ceremonies and receptions.

With two campuses, Camosun has a variety of distinctive spaces from the open-air Na'Tsa'Maht Gathering Place set amongst Lansdowne's landscaped gardens, to the spacious West Coast industrial aesthetic of the CTEI Atrium at the Interurban campus.

In 2022 we added a brand-new venue at our Lansdowne campus that is perfect for weddings. The Hall in the Wilna Thomas Building is an open, airy, bright space connecting to a patio that can be used for your wedding ceremony or as a casual space during a reception.

# Na'Tsa'Maht - The Gathering Place

*- Lansdowne Campus*

Na'Tsa'Maht is a Salish phrase meaning "unity or working together as one".

The conical and open-sided design of Na'Tsa'Maht was inspired by traditional Coast Salish building styles. Within the circular structure, a gas-powered fire, surrounded by stones, is centered in a broad expanse of floor. Three tiers of wooden benches look in from the sides offering circular seating.

Maximum capacity 150.

# Young Lawn

*- Lansdowne Campus*

The Young Lawn is set in professionally landscaped grounds that offer a picturesque outdoor setting for your ceremony, or photography session.

The historic and architecturally striking Young Building provides a backdrop to the Young Lawn. With over 3.5 acres of grounds, the Young Lawn features a stunning paved avenue, with majestic trees providing a shady canopy.

# Wilna Thomas Hall & Patio

*- Lansdowne Campus*

If you are looking for a memorable and intimate venue for your wedding reception, look no further than the Hall in the Wilna Thomas Building. This space is a bright, wide open room with floor to ceiling windows and high ceilings.

The south facing patio is connected to the Hall and is shaded by a stand of Garry Oaks. It can be used for wedding ceremonies when the Hall is booked, or as a casual outdoor space during a reception.

**Maximum capacity 120 seated; 180 standing.**

# CTEI Atrium

*- Interurban Campus*

The Atrium is where West Coast beauty and industrial design meet and is characterized by the thoughtful use of cedar, steel, concrete, and glass.

Three large 'garage' doors can be opened, allowing for a convenient connection to the partially covered outdoor patio.

Maximum capacity 200 seated; 300 standing.
