

Financial Statements of

CAMOSUN COLLEGE

And Independent Auditor's Report thereon

Year ended March 31, 2023

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

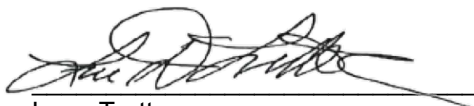

The financial statements have been prepared by management in accordance with Section 23.1 of the *Budget Transparency and Accountability Act* of the Province of British Columbia. The integrity and objectivity of these statements is management's responsibility. Management is also responsible for all of the notes to the financial statements, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements. The significant accounting policies are summarized in note 2 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements.

The Camosun College Board of Governors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Audit and Finance committees. The Audit Committee reviews the external audited financial statements yearly and the Finance Committee reviews internal financial reports on a quarterly basis. The external auditor has full access to the Audit Committee, with and without management present.

KPMG conducts an independent examination, in accordance with Canadian auditing standards, and expresses an opinion on the financial statements. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of the examination and their opinion on the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Board of Governors of Camosun College, and
To the Minister of Post Secondary Education and Future Skills, Province of British
Columbia

Opinion

We have audited the financial statements of Camosun College (the "Entity"), which
comprise:

- the statement of financial position as at March 31, 2023
- the statement of operations and accumulated surplus for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting
policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended
March 31, 2023 of the Entity are prepared, in all material respects, in accordance with
the financial reporting provisions of Section 23.1 of the Budget Transparency and
Accountability Act of the Province of British Columbia.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing
standards. Our responsibilities under those standards are further described in the
"***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our
auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are
relevant to our audit of the financial statements in Canada and we have fulfilled our other
ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to
provide a basis for our opinion.

Emphasis of Matter – Financial Reporting Framework

We draw attention to Note 2(a) to the financial statements which describes the applicable financial reporting framework and the significant differences between that financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash and cash equivalents, end of year	\$ 27,193,130	\$ 25,073,781

See accompanying notes to financial statements.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

1. Nature of operations:

Camosun College (the “College”) is a post-secondary educational institution funded by the Province of British Columbia (the “Province”) and incorporated under the College and Institute Act of British Columbia. The British Columbia Ministry of Post Secondary Education and Future Skills (the “Ministry”) provides the principal source of funding. The College is governed by a Board of Governors, the majority of which are appointed by the provincial government of British Columbia. The College is a registered charity and is therefore exempt from income taxes under section 149 of the *Income Tax Act*.

2. Significant accounting policies:

(a) Basis of accounting:

The financial statements have been prepared in accordance with Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board.

The Budget Transparency and Accountability Act requires that the financial statements be prepared in accordance with the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada, or if the Treasury Board makes a regulation, the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada as modified by the alternate standard or guideline or part thereof adopted in the regulation.

Regulation 257/2010 requires all tax-payer supported organizations in the Schools, Universities, Colleges and Hospitals sectors to adopt Canadian public sector accounting standards without any PS4200 elections.

Regulation 198/2011 requires that restricted contributions received or receivable for acquiring or developing a depreciable tangible capital asset or contributions in the form of a depreciable tangible capital asset are to be deferred and recognized in revenue at the same rate that amortization of the related tangible capital asset is recorded.

For British Columbia tax-payer supported organizations, these contributions include government transfers and externally restricted contributions.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

2. Significant accounting policies (continued):

(a) Basis of accounting (continued):

The accounting policy requirements under Regulation 198/2011 are significantly different from the requirements of Canadian public sector accounting standards which requires that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410 *Government Transfers*; and
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100 *Restricted Assets and Revenues*; and
- deferred contributions meet the liability criteria in accordance with PS3200 *Liabilities*.

As a result, revenue recognized in the statement of operations and certain related deferred capital contributions are recorded differently under Canadian Public Sector Accounting Standards.

(b) Inventories for resale:

Inventories held for resale, comprised of bookstore inventory, is recorded at the lower of average cost or net realizable value. Cost includes the original purchase cost, plus shipping and applicable duties. Net realizable value is the estimated selling price less any costs to sell.

(c) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset.

The cost, less residual value, of the tangible capital assets, excluding land, is amortized on a straight-line basis over their estimated useful lives as follows:

Category	Period
Buildings	20 to 40 years
College system software	10 years
Furniture, fixtures and equipment	5 years
Computers and software	3 years

Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the College's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

2. Significant accounting policies (continued):

(c) Tangible capital assets (continued):

Contributed capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

On July 14, 1983 certain land was transferred to the College by order of the Lieutenant-Governor in Council. These assets have been recorded at a nominal value of \$1. Title to the assets is transferred subject to their continued use for educational purposes.

Works of art and historic assets are not recognized in these financial statements.

Leases which transfer substantially all of the benefit and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Capital lease obligations are recorded at the present value of the minimum lease payments excluding executory costs. The discount rate used to determine the present value of the lease payments is the lower of the College's rate for incremental borrowing or the interest rate implicit in the lease. The maximum recorded value of the leased assets cannot exceed the leased property's fair value when determining the discount rate to be used.

(d) Employee future benefits:

(i) The College and its employees contribute to the College Pension Plan and the Municipal Pension Plan, which are multi-employer joint trustee plans. The plans are defined benefit plans providing a pension on retirement based on the member's age at retirement, length of service and earnings. As the assets and liabilities of the plans are not segregated by institution, the plans are accounted for as defined contribution plans and any contributions of the College to the plans are expensed as incurred.

(ii) Sick leave benefits are also available to certain College employees. The costs of these benefits is actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The obligations under these benefit plans are accrued based on projected benefits as the employees render services necessary to earn the future benefits. Actuarial gains and losses are amortized over the expected average remaining service life of the employees. Similarly, the cost and obligation of non-vesting sick leave benefits is actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, long-term inflation rates and discount rates.

(iii) Certain College employees are entitled to the continuation of health and dental benefits while on disability leave. The accrued benefit obligation for currently disabled employees was estimated by an actuarial valuation for accounting purposes at March 31, 2023.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

2. Significant accounting policies (continued):

(d) Employee future benefits (continued):

(iv) The costs of insured benefits reflected in these statements are the employer's portion of the insurance premiums owed for coverage of employees during the period.

(e) Prepaid expenses:

Prepaid expenses include lease and contract payments that will be charged to expense over the periods the College is expected to benefit from them.

(f) Revenue recognition:

Tuition and student fees and sales of inventory are reported as revenue at the time the services are provided or the products are delivered, and collection is reasonably assured. Revenue related to fees or services received in advance of the fee being earned or the service performed is deferred and recognized when the fee is earned or service performed.

Fee for services revenues and expenditures are recognized as activities are performed, using the percentage of completion method. Provision for all anticipated losses is made in the period in which they become evident.

Unrestricted contributions, donations and grants are recorded as revenue when receivable if the amounts can be estimated and collection is reasonably assured.

Restricted donations and grants are reported as revenue depending on the nature of the restrictions on the use of the funds by the contributors. Under Restricted Contributions Regulation 198/2011, government transfers are reported as revenue depending on the nature of the restrictions on the use of the funds by the contributors as follows:

(i) Contributions for the purpose of acquiring or developing a depreciable tangible capital asset or in the form of a depreciable tangible capital asset, in each case for use in providing services are recorded and referred to as deferred capital contributions and recognized in revenue at the same rate that amortization of the tangible capital asset is recorded. The reduction of the deferred capital contributions and the recognition of the revenue are accounted for in the fiscal period during which the tangible capital asset is used to provide services.

(ii) Contributions restricted for specific purposes other than for those to be held in perpetuity or for the acquisition or development of a depreciable tangible capital asset are recorded as deferred contributions and recognized in revenue in the year in which the stipulation or restriction on the contribution have been met.

(g) Expenses:

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

2. Significant accounting policies (continued):

(h) Financial instruments:

Financial assets and financial liabilities are measured at cost or amortized cost, less any permanent impairment in value. The College does not hold any derivatives or equity investments that require fair value reporting and has not elected to record any other financial instruments at fair value.

A statement of remeasurement gains and losses is not presented as the College did not have remeasurement transactions to report.

Financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations.

(i) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and short term highly liquid investments that are readily convertible to known amounts of cash and are subject to insignificant risk of change in value. These short term investments generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short term cash commitments rather than investing.

(j) Asset retirement obligation:

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

The liability for the removal of asbestos in several of the buildings owned by the College has been recognized based on estimated cost of remediation at the date of adoption. Under the modified retrospective method, the assumptions used on initial recognition are those as of the date of adoption of the standard. Assumptions used in the subsequent calculations are revised yearly.

The liability is estimated at the current cost of remediation if this was to occur at the financial statement date. This liability will be adjusted yearly based on a remediation cost escalation percentage as an accretion expense. The recognition of a liability resulted in an accompanying increase to the respective tangible capital assets. The buildings capital assets affected by the asbestos liability are being amortized with the buildings over their original remaining useful lives.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

2. Significant accounting policies (continued):

(k) Measurement uncertainty:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Key areas where management has made estimates and assumptions include those related to the determination of the useful lives of capital assets, amortization of related deferred capital contributions, asset retirement obligations, determination of employee future benefits, and provisions for accounts receivable and contingencies. Where actual results differ from these estimates and assumptions, the impact is recorded in future periods when the differences become known.

3. Change in accounting policies:

(a) PS 3280 - *Asset Retirement Obligations*:

On April 1, 2022 the college adopted Public Accounting Standard PS 3280 - *Asset Retirement Obligations*. The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets, such as asbestos removal in retired buildings by public sector entities. The standard was adopted on the modified retrospective basis at the date of adoption.

On April 1, 2021 the college recognized a retirement obligation relating to several campus buildings that contain asbestos. The buildings were originally built between 1928 and 2009 and the liability was measured as of the date of September 30, 2020. The buildings had an expected useful life of 40 years, and the estimate has not been changed since the buildings were put into use.

In accordance with the provisions of this new standard, the College reflected the following adjustments at April 1, 2021:

Asbestos remediation obligation:

- (i) An increase of \$619,158 to the capital asset account, representing the estimate of the obligation as of March 31, 2022, and an accompanying increase of \$603,594 to accumulated amortization, representing the increased building amortization had the liability originally been recognized.
- (ii) An asset retirement obligation in the amount of \$619,158 representing the original \$527,200 obligation measured and a 10% annual remediation cost increase to the obligation on March 31, 2021 and March 31, 2022.
- (iii) A decrease to opening accumulated surplus of \$603,594, as a result of the recognition of the liability and accompanying increase in depreciation expense and accretion expense for the two years since initial measurement.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

4. Cash and cash equivalents:

Cash and cash equivalents includes cash and cash equivalents on deposit and amounts held under the Province of BC Central Deposit Program which pays interest at prime minus 1.5% and are redeemable on 3 days notice.

5. Accounts receivable:

(a) Due from government and other government organizations:

	2023	2022
Federal government	\$ 359,821	\$ 411,210
Provincial government	5,644,114	1,285,605
Other government organizations	1,060,650	1,045,145
	<u>\$ 7,064,585</u>	<u>\$ 2,741,960</u>

(b) Due from other:

	2023	2022
Accounts receivable	\$ 3,752,915	\$ 3,345,025
Accrued interest	94,313	14,148
Allowance for doubtful accounts	(700,515)	(620,106)
	<u>\$ 3,146,713</u>	<u>\$ 2,739,067</u>

6. Inventories for resale:

Inventory is comprised of bookstore inventory for resale. During the year ended March 31, 2023 the College recognized \$2,226,470 (2022 - \$2,245,344) of expenses related to inventories in the statement of operations. This includes an amount of \$13,821 (2022 - \$97,657) resulting from the write-down of inventories.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

7. Accounts payable and accrued liabilities:

(a) Due to government and other government organizations:

	2023	2022
Federal government	\$ 2,217,523	\$ 924,935
Provincial government	-	7,000
Other government organizations	830,654	1,147,851
	<u>\$ 3,048,177</u>	<u>\$ 2,079,786</u>

(b) Due to other:

	2023	2022
Trade payables and accrued liabilities	\$ 19,053,933	\$ 14,462,221
Accrued vacation pay and earned time off	5,048,476	5,177,903
Professional development and training	3,035,142	2,855,133
	<u>\$ 27,137,551</u>	<u>\$ 22,495,257</u>

8. Employee future benefits:

(a) Employee future benefits:

	2023	2022
Sick leave	\$ 1,855,329	\$ 1,747,840
Long-term disability health and dental benefits	1,173,442	1,458,888
Accrued benefit liability, end of year	<u>\$ 3,028,771</u>	<u>\$ 3,206,728</u>

(i) Certain employees of the College are entitled to sick leave benefits in accordance with the terms and conditions of their employment contracts. These include post-retirement benefits, benefits that are expected to be provided after employment but prior to retirement and which vest or accumulate during service; and compensated absence benefits, benefits paid during employment, including sick pay benefits that accumulate and are payable upon a future illness or injury-related absence. The benefit expense associated with the covered benefits attributed to the accounting period is included in the College's statement of operations and the accrued benefit liability for the benefits attributed to employee service to the accounting date are included in the College's statement of financial position. The accrued benefit obligation and the net periodic benefit costs were estimated by an actuarial valuation at the measurement date of December 31, 2019 and extrapolated to March 31, 2023.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

8. Employee future benefits (continued):

(a) Employee future benefits (continued):

(i) Continued:

Actuarial gains and losses are amortized over six years (2022 - six years), being the expected average remaining service life of the employees.

	2023	2022
Accrued benefit obligation:		
Balance, beginning of the year	\$ 1,747,840	\$ 1,764,220
Current benefit cost	220,871	216,871
Benefits paid	(113,382)	(233,251)
Balance, end of year	1,855,329	1,747,840
Unamortized actuarial losses	74,914	99,886
Accrued benefit obligation, end of year	\$ 1,930,243	\$ 1,847,726

The components of the net benefit expense for this item are as follows:

	2023	2022
Projected service cost	\$ 153,100	\$ 149,000
Interest expense	42,800	42,900
Recognition of net actuarial losses	24,971	24,971
	\$ 220,871	\$ 216,871

The significant actuarial assumptions adopted in measuring the College's accrued benefit obligations are as follows:

	2023	2022
Discount rates	2.25%	2.25%
Expected future inflation rates	2.00%	2.00%
Expected wage and salary increases	2.75%	2.75%

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

8. Employee future benefits (continued):

(a) Employee future benefits (continued):

- (ii) Certain employees of the College are entitled to the continuation of extended health and dental benefits in accordance with the terms and conditions of their employment contracts. Coverage is extended to disabled employees, their spouses and dependent children while on disability. Faculty and Exempt employees receive these benefits from their date of disability to the earlier of recovery from disability and return to work or age 65. Support staff receive these benefits from their date of disability to the earlier of recovery from disability and return to work or two years. The accrued benefit obligation for currently disabled employees was estimated by an actuarial valuation for accounting purposes as at March 31, 2023.

The significant actuarial assumptions adopted in measuring the College's accrued benefit obligations are as follows:

	2023	2022
Discount rates	4.13%	2.70%
Medical trend	6.23%	6.36%
Dental trend	5.18%	5.25%

(b) Pension plans:

The College and its employees contribute to the College Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit plans. Basic pension benefits are based on a formula. As at August 31, 2022, the College Pension Plan has about 16,600 active members and approximately 10,100 retired members. As at December 31, 2022, the Municipal Pension Plan has about 240,000 active members, including approximately 7,000 from colleges.

Every three years, an actuarial evaluation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation for the College Pension Plan as at August 31, 2021 indicated a \$202 million surplus for basic pension benefits on a going concern basis.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

8. Employee future benefits (continued):

(b) Pension plans (continued):

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2021 indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

The next valuation for the College Pension Plan will be as at August 31, 2024. The next valuation for the Municipal Pension Plan will be December 31, 2024, with results available in 2025.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

The College paid \$6,300,212 (2022 - \$6,159,114) for employer contributions for the College Pension Plan and \$1,936,554 (2022 - \$1,977,535) for the Municipal Pension Plan in fiscal 2023.

9. Deferred contributions:

Deferred contributions are comprised of funds restricted by the following sources:

	April 1, 2022	Receipts during year	Transferred to revenue	March 31, 2023
Provincial	\$ 6,494,069	\$ 10,682,557	\$ (11,215,159)	\$ 5,961,467
Federal	370,114	1,055,532	(815,904)	609,742
Other	63,858	157,306	(212,714)	8,450
	<u>\$ 6,928,041</u>	<u>\$ 11,895,395</u>	<u>\$ (12,243,777)</u>	<u>\$ 6,579,659</u>

10. Deferred revenue:

Deferred revenue includes tuition and contract fees received in advance of the related activity performed:

	2023	2022
Tuition fees	\$ 9,499,923	\$ 8,719,863
Contract fees	614,139	958,489
	<u>\$ 10,114,062</u>	<u>\$ 9,678,352</u>

Computers and software	3,028,833	2,941,295
	<u>\$ 150,838,031</u>	<u>\$ 145,460,930</u>

(a) Assets under construction:

The assets under construction include expenses for renovations to the Ewing building to support the installation of an elevator. This work is expected to complete by summer 2023.

(b) Contributed tangible capital assets:

Contributed capital assets are recognized at fair market value at the date of contribution. The value of contributed capital assets received during the year is \$133,144 (2022 - \$1,198,915).

13. Contingent liabilities:

The College may, from time to time, be involved in legal proceedings, claims, and litigation that arise in the normal course of business. It is management's opinion that the aggregate amount of any potential liability is not expected to have a material adverse effect on the College's financial position or results.

14. Expenses by object:

The following is a summary of expenses by object:

	2023	2022
Salaries and benefits	\$ 118,055,014	\$ 112,390,753
Contract fees	4,603,889	4,777,174
Supplies and services	16,329,928	14,559,696
Costs of goods sold	2,710,602	2,579,484

Amortization	9,668,031	9,393,818
Minor repairs and maintenance	2,864,472	3,744,741
	<u>\$ 154,293,852</u>	<u>\$ 147,445,666</u>

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

15. Related party transactions:

(a) Other agency operations:

The College is related through common ownership to all Province of British Columbia ministries, agencies, Crown corporations, school districts, health authorities, hospital societies, universities and colleges that are included in the provincial government reporting entity. The College also considers the Board of Governors and key management executives as related parties. Transactions with these entities, unless disclosed otherwise, are recorded at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Included in accounts receivable at year end is \$5,644,114 (2022 - \$1,285,605) from the provincial government. During the year the College received grants in the amount of \$70,489,455 (2022 - \$66,133,466) from the provincial government and included \$70,929,086 (2022 - \$66,181,142) in revenue. \$4,202,638 (2022 - \$14,507,647) of the \$4,764,778 (2022 - \$16,313,562) of restricted capital contributions received during the year was from the provincial government.

(b) Camosun College Foundation:

The College has an economic interest in the Camosun College Foundation (the "Foundation"). The net assets and results of operations of the Foundation have not been included in these financial statements. The Foundation is a registered charity under the Income Tax Act. The Foundation is a separate society formed to provide scholarships and bursaries for students of the College and to raise funds for furthering the interest of the College. The College provides some financial support to the Foundation. During the year, financial support of \$617,436 (2022 - \$533,873) was provided to the Foundation.

For the year ended March 31, 2023, gift in kind donations from the Foundation to the College were \$155,825 (2022 - \$760,023) of which \$133,144 was recorded as capital assets (2022 - \$747,246). Included in the College's accounts receivable at March 31, 2023 is \$87,604 (2022 - \$24,283) due from the Foundation.

(c) Pacific Institute for Sport Education Society:

The College has an economic interest in the Pacific Institute for Sport Education Society ("PISE"). The net assets and results of operations of PISE have not been included in these financial statements. PISE is a separate society formed to bring sport education and athlete development under one roof, incorporating health and wellness programs, high performance sport services, applied sport research and innovation and community programs. PISE has three founding members - Camosun College, Canadian Sport Institute and PacificSport Victoria - and is a registered charity under the Income Tax Act.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

15. Related party transactions (continued):

(c) Pacific Institute for Sport Education Society (continued):

PISE's facilities, located at the Interurban campus, were completed in September 2008 at which time the College signed a long term lease and license agreement with PISE under which PISE will operate the facility for a 25 year term with a 29 year extension option at an annual rent of \$1 per year. At the same time, PISE has signed a long term sub lease with the College under similar terms under which the College will operate its sport education programs, recreation and athletics programs and teams and applied research activities at an annual cost of \$709,397 (2023) and \$727,049 (2024). A renewal of the sublease is expected in the 2024 fiscal year.

At the date of occupancy, the related \$28 million cost of the capital assets under construction and associated deferred capital grants were removed from the College's financial statements. The College provides custodial, grounds, maintenance and other specialist facility services to PISE on a cost recovery basis under a service agreement. Fees and expenses for these services amounted to \$302,985 (2022 - \$302,985) during the year. Included in the College's accounts receivable at March 31, 2023 is \$1,763 (2022 - \$11,001) due from PISE. Included in the College's accounts payable at March 31, 2023 is \$3,000 (2022 - \$3,045) due to PISE.

16. Financial risk management:

It is management's opinion that the College is not exposed to significant risk from its use of financial instruments which could affect its ability to achieve its strategic objectives.

(a) Liquidity risk:

Liquidity risk is the risk that the College will not be able to meet its financial obligations as they become due. The College establishes budgets and cash flow projections to ensure that it has the necessary funds to meet its obligations as they become due.

(b) Interest rate risk:

Interest rate risk is the risk that the fair value of future cash flows of floating rate instruments will fluctuate due to changes in market interest rates. It is management's opinion that the College is not exposed to excessive levels of interest rate risk arising from its financial instruments.

(c) Credit risk:

Credit risk is the risk of financial loss to the College if a client of the College or counterparty to a financial instrument fails to meet their contractual obligations. Such risks arise principally from certain financial assets held by the College consisting of cash, investments and accounts receivable. The risk is mitigated by the College's prompt collections processes and by other remedies such as the withholding of transcripts in the event of non-payment.

CAMOSUN COLLEGE

Notes to Financial Statements

Year ended March 31, 2023

16. Financial risk management (continued):

(c) Credit risk (continued):

The College accounts for a specific bad debt provision when management considers that the expected recovery is less than the amount receivable.

There has been no change to the risk exposure from 2022.

The insurance on College property is the responsibility of the Province, which paid \$259,371 (2022 - \$197,602) for premiums and fees on behalf of the College for the coverage. The premiums paid are not recorded in the financial transactions of the College or in these financial statements. All claims for loss are submitted to the Province for consideration for replacement. The College has no direct insurance coverage against loss of any of its capital assets.

17. Budget data:

Budget figures have been provided for comparative purposes and have been derived from the Multi Year Budget approved by the Board of Governors of the College on April 11, 2022. The budget is reflected in the statement of operations and the statement of changes in net debt. The chart below reconciles the approved budget to the budget figures reported in these financial statements.

Revenues:	
Operating budget	\$ 132,861,125
Capital budget	13,929,075
Total revenues	146,790,200
Expenses:	
Operating budget	138,018,965
Capital budget	16,054,475
Total expenses	154,073,440
Annual surplus	\$ (7,283,240)

18. Comparative information:

Certain 2022 comparative information has been reclassified to conform to the presentation adopted in the current year.
